The Honorable James T. Patterson
House of Representatives
Washington, D. C.

Dear Mr. Patterson:

Thank you for your letter of 28 May 1958 to Mr. Dulles concerning Mr. [redacted]

We are reluctant to advise a young man to complete specific courses in anticipation of employment with us as our needs are subject to change and we cannot assure him of employment when he becomes available. Knowledge of one or more foreign languages would enhance his qualifications as well as would courses familiarizing him with the conduct of foreign affairs and governments. Such training is not an essential requirement in all positions, however.

May we suggest that Mr. [redacted] complete and return to us the enclosed application materials. The information supplied on these forms would enable us to evaluate his immediate prospects more readily and to appraise future opportunities more realistically.

Sincerely,

C. P. Cabell
Lieutenant General, USAF
Deputy Director
